ATTENTION: Residents and Businesses

11th Street Ramp from Westbound I-94 to Close Mid-April 2018

As part of the 35W@94: Downtown to Crosstown reconstruction project, the 11th Street ramp from westbound I-94 needs to close for two months. This closure will allow crews to complete work in the area and prepare for upcoming construction activities. Residents and business should use the posted detour route or alternate routes during the closure.

11th Street Ramp Closure

- The 11th Street ramp is scheduled to close in about mid-April and will remain closed through approximately June 2018.
- Detour route for the ramp closure: Continue on westbound I-94 to the Lyndale Ave/Hennepin Ave exit, follow north Hennepin Ave to 12th Street (see map on back).
- Motorists who use the ramp to access Grant Street and 5th Ave S will also need to find alternate routes.

Upcoming Summer 2018 Construction Activities in the Downtown Area

- Access from northbound I-35W to 5th Ave S/Grant Street into downtown is scheduled to close from mid-June through fall 2018.
- Access from 12th Street/4th Ave S out of downtown to southbound I-35W is scheduled to close in mid-June and remain closed to motorists through fall 2021; transit access will be available in fall 2018.
- The 4th Ave S/16th Street ramp to westbound I-94 is scheduled to close this summer for approximately two months.
- The ramp from northbound I-35W to westbound I-94 is scheduled to close this summer and remain closed through fall 2021.
- The ramp from eastbound I-94 to southbound I-35W is scheduled to close this summer and remain closed through fall 2021.

Metro Transit bus routes will be impacted as a result of construction. For updated route information, and to sign up for Rider Alerts, visit www.metrotransit.org/35W, or call the Transit Information Center at 612-373-3333.

For real-time travel information anywhere in Minnesota visit <http://www.511mn.org/> or dial 5-1-1.

Construction activities are subject to change due to weather, schedule and unforeseen impacts.

35W@94: Downtown to Crosstown is a reconstruction project on I-35W between 43rd Street and downtown Minneapolis. The work includes reconstructing pavement, bridges and ramps on I-35W, adding new MnPASS lanes on northbound and southbound I-35W, constructing new access ramps to the Lake Street Business District and building a new transit station on the interstate. Once complete, motorists and residents will have better accessibility, safety and mobility in the area. Work is expected to be completed in fall 2021.
